

# BULL BAR

## CNC MACHINED FLEX LEVERS

- \* Super strong T6061 Billet Alloy
- \* Precision machined, ultra light
- \* Folds forward, helps prevent breakage
- \* Adjustable lever position
- \* Comes in handy re-useable "Tidy Box".

| Bike      | Application | Clutch     | Brake      |
|-----------|-------------|------------|------------|
| Honda     | CRF 04-06   | 148-LC102C | 148-LB46C  |
